Am                    Em                    D  
Cause I had the best of the worst sides

D                    G D  
And I had these lungs

Am                    Em                    D  
And I had too many flash fires

D                    G D  
That I just let them burn

C  
Til my chest is on fire

C  
And my head just won t die

Em  
I guess I m lying cause I wanna

D  
I guess I m lying cause I don t

C  
Cause I just feel so tired

C  
Like it s move or slowly die

Em  
You ain t you when you re like this

D  
This ain t you and you know it

Am                    Bm                    C6/A  
But ain t that just the point?

C  
You don t know, how to let go

Em D  
Who said this must be all or nothing?  
Am C  
But I m still caught below  
Em  
And I ll never let you know  
D  
No I can t tell you nothing

Am C  
Cause I m a fucking mess sometimes  
Em D  
But still I could always be  
Am  
Whatever you wanted  
C  
But not what you needed  
Em D  
Especially when you been needing me  
Am C  
Cause I m a fucking mess sometimes  
Em D  
And I ll say what I dont mean  
Am  
Just cause I wanted  
C  
Or maybe I need it  
Em D  
Swear lying s the only rush I need

Em  
Cause all I needed was some words to say  
Em C  
That all these feelings don t mean shit to me  
C C  
Cause it s all just chemicals anyway  
Em  
Anyway  
Am  
And I got way too many routes to take  
Em  
To make this all just go away  
Em  
And find another heart to break  
D  
So heartless with the words I say  
D  
Just saying what I m supposed to say  
G  
Cause I had nothing for you  
G D  
I can t love when I can t even love myself

Am  
Things I would rather be  
Em  
Thoughts at the back of my head,  
D  
But I m addicted to hurting  
G D  
And I got these lungs  
Am Em D  
And I spent too many late nights  
G  
Thinking a hole in the earth  
D C  
Till the sky is on fire  
C  
And my head still won t die  
Em  
I guess I m lying cause I wanna  
D  
I guess I m lying cause I don t  
C  
Cause I just feel so tired  
C  
Like I need something to come alive  
Em  
She said you ain t you when you re like this  
D  
This ain t you what you done?  
Am\* Bm\* C  
And I said that s the point  
C Em  
You don t know, how to let go  
D  
Who said this must be all or nothing?  
Am C  
But I m still caught below  
Em  
And I ll never let you know  
D  
No I can t tell you nothing  
Am C  
Cause I m a fucking mess sometimes  
Em D  
But still I could always be  
Am  
Whatever you wanted  
C  
But not what you needed  
Em D
