

## Swinging Doors

### Edens Edge

Hey Everyone, this is my first attempt at working out and writing the chords for

any song so I hope it s right!

It s a lovely song and fun to play as it has a bouncy rhythm;

I play it with emphasis on the bottom E string at the beginning of every first stroke of each chord

(If that makes sense)

Hope you enjoy it!

Capo on 2nd!

1st Verse:

**Em** **C2**
