You know I ve heard it said there s beauty in distortion.
 G **D** **Em** **C**
By some people who ve withdrawn to find their heads
 G **D** **Em** **C**
Now they say that there is humor in misfortune
 C **D** **G**
You know I wonder if they ll laugh when I am dead

C **G** **Em** **G**
Why am I fighting to live if I m just living to fight?
 C **G** **Em** **D**
Why am I trying to see when there ain t nothing in sight?
 C **G** **Em** **G**
Why am I trying to give when no one gives me a try?
 C **G** **Em** **G**
Why am I dying to live if I m just living to die?

G **D** **Em** **C**
Hey, you know some people say that values are subjective,
 G **D** **Em** **C**
But they re just speaking words that someone else has said.
 G **D** **Em** **C**
And so they live and fight and kill with no objective.
 C **D** **G**
Sometimes it s hard to tell the living from the dead.

C **G** **Em** **G**
Why am I fighting to live if I m just living to fight?
 C **G** **Em** **D**
Why am I trying to see when there ain t nothing in sight?
 C **G** **Em** **G**
Why am I trying to give when no one gives me a try?
 C **G** **Em** **G**
Why am I dying to live if I m just living to die?

G **D** **Em** **C**
Yeah, you know I used to weave my words into confusion.
 G **D** **Em** **C**
And so I hope you ll understand me when I m through
 G **D** **Em** **C**
You know I used to live my life as an illusion,

C **D** **G**
But reality will make my dreams come true.

C **G** **Em** **G**
So I ll keep fighting to live till there s no reason to fight

C **G** **Em** **D**
And I ll keep trying to see until the end is in sight

C **G** **Em** **G**
You know I m trying to give so c mon give me a try

C **G** **Em** **G**
You know I m dying to live until I m ready to die.
