QUITTER

Intro: Riff A (2x)

Verse 1: Riff B (1x)

So disappointed, always a step behind

Can t you hear all of the noises

Scraping the back of my mind?

Did you realize that I so dispise all those times I ve wasted counting on you?

Yeah, I m so sick of being used

Chorus: Riff C (1x)

Why can t you see, I m falling apart

Why are you walking from me?
Why can't you see it the silence is jaded
So shut your mouth, cause I'm sick of it
The time has come just to call it quits
And walk away, let me be

Verse 2: Riff B (1x)

Such an insult, such a traitor what defines the name that you cater
Such a curse, such a quitter all I hear is the words that you shattered
Did you realize that I so despise all those times I've wasted counting on you?
(Fuck you)
I'm so sick of being used

Chorus: Riff C (1x)

Bridge: Riff A (2x) & Riff D (2x)

Walk away

Breakdown: Riff E (2x)

So disappointed as you walk away as you walk away
Dead and avoided as you slip away and you kneel and pray

Bass lead (2x) then Riff F (1x)

Riff D (2x)

Chorus: Riff C (1x)

End: Riff A (1x) & Riff G (1x)

Walk away
