

Dragonfly

Edguy

F

Is it really the treasure of gold

G

Or the dance on the rainbow itself

F

Bound to a track

Painting over the cracks

Em

In his dreams they'd put up on the shelf

Am

Little wind-up soldier

With a ball and a chain

F

Got destinations engraved on your mind

G

Now you don't care as long

As you don't make it there

Em

You wanna fly but not arrive

F

Calling you, calling you

You are the one to hear them

G

Calling you, calling you

F

Calling you, calling you

Em

And you daddy won't approve

Am

And when no one's awake anymore

F

He paints a picture of a strange looking fly

G

From a distant world

Em

You light and lo and behold

It's coming alive

F

Calling you, calling you

You always hear them speak

G

Derring-do, derring-do

F

Calling you, calling you

Em

From a distant burning star

Am

You wanna fly so you drag on flies

F

Drag on dragonflies

Dm

From a suffocating room on a dragonfly

G

You re riding high when you nasalize

Em

What you pulverize

G

Make your day and dream away on a dragonfly

Am

Mayday mayday

I ain t fond of smoking

F

The buzzer knows in dire straits

G

Selfless without intention

Em

Too late to intermediate

Smoking kills

F

Calling you, calling you

You are the one two three four

G

Calling you, calling you

F

Calling you, calling you

Em

And your daddy won t approve

Am

You wanna fly so you drag on flies

F

Drag on dragonflies

Dm

From a suffocating room on a dragonfly

G

You re riding high when you nasalize

Em

What you pulverize

G

Make your day and dream away on a dragonfly
