

Roses To No One

Edguy

Am **G** **Am** **G**
I m feeling this time as bad as never before
F **Am** **Em**
A bleeding wag is fading away
Am **G** **Am** **G**
Once you needed me for spending delight
F **Am** **Em**
But below this funny mask there s a crying face

C **G** **Am**
The way that I smile is the way that I cry
 G **F** **C** **G**
But you ll never realize
C **G** **Am**
My reputation is the one of a fool
 G **F**
Now watch how a poet dies
 G
Hear his cries

Am **F** **G** **C** **G**
And I dedicate my roses to no one
Dm **A#** **C** **F** **G**
Cause there is no mind to help me to see
Am **F** **G** **C** **G**
The reason we need a light for the lonesome
Dm **A#** **C** **F** **G** **Am**
And no one to drink the blood that I bleed

The poet inside wasn t given a chance
So he had to live apart
And I realize my best friend am I
And not those parasites who try to stare
Into my heart

The way that I feel is the way that I heal
My body and soul and my life
And I know you just think I m a fool
Now watch how a poet flies
See me rise

And I dedicate my roses to no one
Cause there is no mind to help me to see

The reason we need a light for the lonesome
And no one to drink the blood that I bleed
