

Save Me  
Edguy

A B  
Waiting for a little sign

C#m A  
Seems like to no avail

A B C#m  
Strolling down the pavement aimlessly

A B  
Waiting for someone

C#m A  
To snatch her bag of memories

A B C#m  
How come you call it destiny

A B E  
When the cross you bear s your only company?

B C#m A C#m B  
Never seen you, I don t even know your name

B A  
but still I believe

C#m A  
That you are gonna save me

E B  
somehow I got a notion

C#m A C#m B  
Just a little affection on this cold and windy road

C#m A E B  
Save me from a state of unemotion

C#m A B  
Just a little affection on this windy road..

A            B    C#m    A  
Why is it all so confusing?

A                    B            C#m  
Why does growing up hurt so bad?

A                    B  
We seek and we get lost

          C#m            A  
we get found and go again

A            B            C#m  
and I don t know what s gonna be...

A            B            E  
I won t make any promise I believe

B    C#m    A            C#m    B  
Never seen you, I don t even know your name

B            A  
but still I believe

                  C#m A  
That you are gonna save me

E            B  
somehow I got a notion

C#m            A            C#m            B  
Just a little affection on this cold and windy road

C#m A            E            B  
Save me from a state of unemotion

C#m            A            B  
Just a little affection on this windy road..

E            B  
I don t know if I can

                  C#m  
I don t know if I should

**A**

**E**

I don't know what is right and what's to come if you would

**B**

Here I stand in the rain

**C#m**

Here I stand in the cold

**A**

**C#m**

I'm reluctant to get another shot in my soul... no

**A       E       B       E       A       B**

I'm afraid of that hole...

**C#m   A**

save me

**E**

**B**

somehow I got a notion

**C#m**

**A**

**C#m**

**B**

Just a little affection on this cold and windy road

**C#m   A**

**E**

**B**

Save me from a state of unemotion

**C#m**

**A**

**B**

Just a little affection on this windy road..

**C#m   A   B       E**

Oh, lonesome road...
