

Scarlet Rose
Edguy

Intro: **Am F Csus2 G** x2

Verse 1:

Am **F** **Csus2** **G**
The moment when you held me tight won't come back any more

Am **F** **Csus2** **G**
And at the end of that night you slammed the door

Am **F** **Csus2** **G**
My dream it died away just when I saw red

Am **F** **Csus2** **Am**
And nothing but a memory is left inside my head

Bridge:

Dm **G**
Nothing is forever in life but a memory believe it's true

Dm **Em** **F** **Gsus4**
And when I gaze in the rain I'm cryin' just for you

Chorus:

C **Am** **Dm** **G**
The scarlet rose has died. Lost inside the night

Em **Am**
Left in my mind like a dream all full of pride

F **G**
The scarlet rose has died

Verse 2 (same as verse 1):

The one and only way to catch the beauty of a dawn
is to take a picture of the growin' sun

I got that experience no one could steal away

One moment of your life is mine I remember day by day

Nothing is forever in life but a memory believe it s true
And when I gaze in the rain I m cryin just for you
