With my eyes closed I ll look closer  
I ll always remember

Juggernauts screaming to a stop  
Sound like devils are laughing

I wanted to see  
I wanted to see  
I wanted to see this for myself  
I wanted to see  
I wanted to see  
I wanted to see this for myself

These dark pubs we drink in  
Somehow light up when I m with you

I wanted to see  
I wanted to see  
I wanted to see this for myself  
I wanted to see  
I wanted to see  
I wanted to see this for myself

I wanted to see  
I wanted to see  
I wanted to see this for myself  
I wanted to see  
I wanted to see  
I wanted to see this for myself

For myself  
For myself  
For myself

Self, self
