With my eyes closed I ll look closer
I ll always remember

Juggernauts screaming to a stop
Sound like devils are laughing

I wanted to see
I wanted to see
I wanted to see this for myself
I wanted to see
I wanted to see
I wanted to see this for myself

These dark pubs we drink in
Somehow light up when I m with you

I wanted to see
I wanted to see
I wanted to see this for myself
I wanted to see
I wanted to see
I wanted to see this for myself

I wanted to see
I wanted to see
I wanted to see this for myself
I wanted to see
I wanted to see
I wanted to see this for myself

For myself
For myself
For myself

Self, self
