CAPO on 1

Tom Smith plays it like this on his acoustic guitar

**C** **Em**  
We can never go home, son  
**D** **G**  
We no longer have one  
**C** **Em**  
I ll help you carry the load,  
**D** **G**  
I ll carry you in my arms  
**C** **Em**  
We walk through the ash,  
**D** **G**  
the charred remains of our country  
**C** **Em**  
Keep an eye on my back,  
**D** **G**  
I ll keep an eye on the road

**C** **G**  
Help me to carry the fire  
**Em** **C**  
to keep it alight together  
**C** **G**  
Help me to carry the fire  
**Em** **C**  
This road wont go on forever

**C** **Em**  
If I say shut your eyes,  
**D** **G**  
If I say look away  
**C** **Em**  
Bury your head in my shoulder  
**D** **G**  
Think of a birthday  
**C** **Em**  
The things you put in your head  
**D** **G**

wont stay there forever

**C** **Em**  
I m trying hard to hide your soul, son  
**D** **G**  
From things it s not meant to see

**C** **G**  
Help me to carry the fire  
**Em** **C**  
to keep it alight together  
**C** **G**  
Help me to carry the fire  
**Em** **C**  
This road wont go on forever  
(repeat chorus 1x)

**C Em D G**

**C** **Em**  
If I say shut your eyes  
**D** **G**  
If I say shut your eyes  
**C** **Em**  
Bury me in surprise  
**D** **G**  
If I say shut your eyes

Oohh....= **C Em D G**

End with chorus, but with single strokes

**C** **G**  
Help me to carry the fire  
**Em** **C**  
to keep it alight together  
**C** **G**  
Help me to carry the fire  
**Em** **C**  
This road wont go on forever
