

# Nothing Editors

Intro [Acompanied by Piano riff]

=====

C	G	A7	C	
C	G	A7	C	C ...

Verse 1

=====

## G

The sun says nothing

D

About my demise,

## G

my fall to the floor

## G

Sparks from your stare

D

Cascade into mind

## G

The start of a war

[Piano riff returns]

C      G      A7      C

The start of a war

C      G      A7      C      C ...

**G**

Monday mornings

D

Hung over, red eyes

## G

Hide it all the way

**G**

We walk through a crowd of strangers

D

Two minutes from your door

## G

You ve lived there all your life

Chorus

=====

Em G

Every conversation within you

Em G

Starts a celebration in me

D

Till I got nothing left

**C**

I got nothing left

Bridge

=====

**G**

Oooh

Verse

=====

**G**

Out of it you ll handle it for everyone

**Am7**

**G**

Took a poison dart through my heart and then I m gone.

Chorus

=====

**Em**

**G**

Every conversation within you

**Em**

**G**

Starts a celebration in me

**D**

Till I got nothing left

**C**

I got nothing left

Bridge

=====

**G**

Oooh...

**C** **G**

Hoo..

**C** **G**

Hoo...

[Piano Riff intensifies]

**A7**

Ohoho...

**C**

Ohohoh...

Bridge-Verse [[Intensified]]

=====

**G**

These floorboards are creaking,

**G**

My body s old

**G**

The sun casts a shadow

**G**

(!!) **D**

A gust that cuts through your bones

**D**                      **G**  
Your body and soul

Chorus

=====

**Em**                                      **G**  
Every conversation within you

**Em**                                      **G**  
It starts a celebration in me

**D**  
Till I got nothing left

**C**  
I got nothing left

**G**  
Oooh...

**D**  
No I got nothing left

**C**  
I got nothing left

Outro [Acompanied by Piano riff]

=====

**C**              **G**              **A7**              **C**  
Ohoh...

**C**              **G**              **A7**              **C**              **C ...**  
Ohoh...
