Em

I m on watch here

D

G

So close your eyes and get some rest

C

G

I m here to watch your heart

C

G

It s been faulted from the start

Bm

C

I m the rips in your chest

I m not an angel,

I never mean to make you cry

Jumping through my hoops

With dissension in the troops

And a smile inside

Bm

C

What s that over your shoulder?

Bm

C

Fear of getting older

Em C G D

Stay with me.

Sing me a love song

From your heart or from the phone book

It don t matter to me

I m an apple, you re the tree

I won t fall when you shook

What s that over your shoulder?

Fear of getting older

Stay with me.

C Am Em

Solo: 2x Chords Strophe

C

D

It ends with a kiss

Em

It ends with a tear

G

It ends with the lights up

C

Bathing our fear

D

Tell me nonsense

Em

I don't want to see

G

C

D

Em

I saw the lightning cut through the last winter sky of the year

Stay with me

Keep with me...
