

**Push Your Head Towards The Air
Editors**

Intro: Em G D D (x4)

D/F# D G D
If I lay face down on the ground
Bm A D
Would you walk all over me?
D/F# D G D
Have we learnt what we set out to learn?
Bm A D
Well come home, we will see

Em G D
Now don t drown in your tears babe
Em G D
Push your head towards the air
Em G D
Now don t drown in your tears babe
Em G D
I will always be there

D/F# D G D
When you fall and you can t find your way
Bm A D
Push your hand up to the sky
D/F# D G D
I will run just to, to be by your side
Bm A D
Don t you ever bat an eye

Em G D
Now don t drown in your tears babe
Em G D
Push your head towards the air
Em G D
Now don t drown in your tears babe
Em G D
I will always be there

A Em
But I will tear the prize from your hand
Bm A
Keep you from harm, that s what you said
A Em
There s people climbing out of their cars
Bm A
Lining the roadside, trying to glimpse at the dead
