The Editors - Well worn Hand

By Ragnarock\_arc

[INTRO]

**C F C** (x2)

[VERSE]

**C F C**

Wake up my love

**C F C**

Today I heard some bad news

**Em F C**

Just what are we all supposed to do?

**C F C**

I won't let them get to you

[CHORUS]

**Am G F C**

I don't want to go out on my own anymore

**Am G F C**

I can't face the night like I used to before

[VERSE]

**C F C**

Take my well worn hand

**C F C**

Let's lock ourselves away

**Em F C**

We'll never, ever step outside

**C F C**

We'll curl up in a ball and hide

[CHORUS]

**Am G F C**

I don't want to go out on my own anymore

**Am G F C**

I can't face the night like I used to before

[BREAK]

**Dm Dsus4 C C** (x2)

[CHORUS]

**Am G F C**

I don't want to go out on my own anymore

**Am**                      **G**                      **F**                      **C**  
I cant face the night like I used to before

[OUTRO]

**Am**    **G**                      **F**                      **C**  
I m so sorry for the things that they ve done

**Am**    **G**                      **F**                      **C**  
I m so sorry about what we ve all become
