(Em, Bm, Em, C/G)

You don t know love like you used to,
You don t feel love like you did before

(A/D, Em, A/D)

Oh

Oh

(Em, Bm, Em, C/G)

You ran with the dead today,
with the moles from the CIA,
They say more than you ever say
Headlights in your rear view mirror, a panther s eyes as he preys on fear,
You hunt for love, you electioneer

(A/D, Em, A/D)

Oh

Oh

(Em, Bm, Em, C/G)

You ran with the dead today,through the cemeteries where ghosts still play,
The more you ran, love got further away
One look in a soaring sight,
Every little thing you die to hide
You are the truth, when you lie

(Em, Bm, Em, C/G)

You don t know love like you used to,
You don t feel love like you did before
You don t know love like you used to,
You don t feel love like you did before

(Em, Bm, Em, C/G)

You don t know love like you used to,
You don t feel love like you did before
Oh, you don t know love like you used to,
You don t feel love like you did before
Oh, you don t know love like you used to,

You don't feel love like you did before
Ah, you don't know love like you used to,
Ah, you don't feel love like you did before
You don't know love like you used to
