Verse 1

RE RE4

Every morning

RE RE4 RE SIm

radio Hallelujah sings the glory

LA

for a chorus that believe in these stories

RE RE4 RE RE4

but I believe in you ...

RE RE4

You re an angel

RE RE4 RE SIm

watching over me I find protection

LA

underneath your wings sweet salvation

RE RE4 RE RE4

and I believe in you ...

DO7M LA

Lost between the twilight and the day

DO7M LA

you will help me find the better way.

Every morning

Radio Hurricane brings the storming

and this year as your day is downing

it never rains on you ...

You re an angel

watching over me, expectation

but you ll never be contemplation

and I believe in you ...

Everywhere you go you take my heart

even though I m moving in the dark.

[Harpsichord solo]

Everywhere you go you take my heart
even though I m moving in the dark.
