

Driving On 9
Ed's Redeeming Qualities

DRIVING ON 9

[G D Am C]

DRIVING ON 9

You could be a shadow

Beneath the street light

Behind my home

DRIVING ON 9

I sure miss you

Pass the motel

Give a dog a bone

DRIVING ON 9

Looking for 130

Maybe I passed it

Go another mile

DRIVING ON 9

You'll sure look pretty

In Carson City

Walking down the isle

DRIVING ON 9

Will you wear white

I sure hope not

But you might, just to spite

DRIVING ON 9

Does your Daddy have a shotgun?

He said hed never need one

Looking at the pines

(Interlude)

[Am G, Am G, Am G, Am C]

DRIVING ON 9

Looking out my window sill

Wondering if you took your pill

Wondering if its mine

DRIVING ON 9

How old is Cindy?

She sure looks like me

Give cindy a car

(Interlude)

DRIVING ON 9

Turn off your headlights

This is just like stage fright

Coming back home

(Whistle a verse and end)
