GIVE MY LOVE (English Version)
by Edward Chun

Hello! I am here to share my third guitar chords that I originally made. I was looking
the chords of this song, but I can t find even one. The only thing I found was the piano
so I decided to make mine by ears. This is the easiest and most fitted sound I can ever
for this song, and I really tried my best for this, so I hope you ll like it. But,
you have any suggestions to make it better, please e-mail me in
Thanks and enjoy! =D

=Just repeat the Chords used in 1st CHORUS=

CHORUS 2:
Now Iâ€™ll give my love oh when I hold you tight
Give my love through kisses oh so bright
And you know that I wonâ€™t change my love
Take my love all through the nightâ€¦

=SOLO=
You can just use the INTRO Chords for this. I can t discover the right
tabs/chords for
part yet. However, I ll try if I can. But, for now, just repeat the intro.

CHORUS 3:
Now Iâ€™ll give my love oh when I hold you tight
Give my love through kisses oh so bright
And you know that time wonâ€™t change my love
Take my love all through the nightâ€¦

CHORUS 4:
Iâ€™ll give my love oh when I hold you tight
Give my love, through kisses oh so bright
And you know that I canâ€™t change my love
Take my love all through the nightâ€¦
```

END: **G**
