40 Day Dream
Edward Sharpe and the Magnetic Zeros
[Intro]
A D F#m
[Verse]
                                  D
I ve been, i ve been sleeping for forty days and
                                       D
Yeah, I know that I m sleeping cause this dream s too amazing
                           D
She got gold doorknobs where her eyes used to be, yeah
                            D
One turn and I learned what it really means to see, yeah
[Chorus]
F#m
         D
Ahh, It s the magical mystery kind
            D
ahhh, Must be a lie
Bye bye to the too good to be true kind of love
F#m
     G
Oooooh I could die
F#m
    G
                               Α
Oooooh now, I could die
[Verse]
                           F#m
                    D
Now I ve been sleeping for sixty days and
Nobody better pinch me
      F#m
Bitch I swear, go crazy
She got jumper cable lips
                  F#m
She got sunset on her breath
I inhaled just a little bit
                F#m
```
