

Dear Believer

Edward Sharpe and the Magnetic Zeros

I used the other guy s tab and put it how it is actually played on the CD. I also corrected a bit on the verse part and added the bridge... I think it sounds right. Enjoy.

Edward Sharpe And The Magnetic Zeros - Dear Believer

[Verse 1]

E **F#m**
Dear Believer, come sing me a song
F#m **B** **E**
Let the octave belong to the next
E **F#m**
And lifting us soundly back into the world
F#m **B** **E**
May we sing the Earth, Heaven s breath
E **F#m**
Murder murder, you haunt every bone
F#m **B** **E**
But the son you have grown still resists
E **F#m**
Anger anger, you re finally my bitch
F#m **B** **B**
Through glory of this, Heaven s breath.

[Chorus]

A **E**
Paradise, has its hunter
B **B**
Call me blind, call me fool
A **E**
I don t mind chasing thunder
F#m **A** **B** **E**
I say reaching for Heaven is what I m on Earth to do.

[Verse 2]

E **F#m**
Dear Believer, I ve no cause to go on
F#m **B** **E**
Save for if you take my case
E **F#m**
See the world was good and heavy on my shoulders as a child
F#m **B** **E**
But I let it all go to my waist
E **F#m**
Now comfort s rooting pigs for my blood
F#m **B** **E**

To stick in my mud, a flag of white

E **F#m**

Dear Believer, of fire and rebirth

F#m **B** **B**

May we shine the Earth, Heaven s light

[Chorus]

A **E**

Paradise, has its hunter

B **B**

Call me blind, call me fool

For we let it all go to waste.

Paradise, has its hunter
