

**Dear Believer**  
**Edward Sharpe and the Magnetic Zeros**

I used the other guy s tab and put it how it is actually played on the CD. I also corrected a bit on the verse part and added the bridge... I think it sounds right. Enjoy.

Edward Sharpe And The Magnetic Zeros - Dear Believer

[Verse 1]

**F** **Gm**  
Dear Believer, come sing me a song  
**Gm** **C** **F**  
Let the octave belong to the next  
**F** **Gm**  
And lifting us soundly back into the world  
**Gm** **C** **F**  
May we sing the Earth, Heaven s breath  
**F** **Gm**  
Murder murder, you haunt every bone  
**Gm** **C** **F**  
But the son you have grown still resists  
**F** **Gm**  
Anger anger, you re finally my bitch  
**Gm** **C** **C**  
Through glory of this, Heaven s breath.

[Chorus]

**Bb** **F**  
Paradise, has its hunter  
**C** **C**  
Call me blind, call me fool  
**Bb** **F**  
I don t mind chasing thunder  
**Gm** **Bb** **C** **F**  
I say reaching for Heaven is what I m on Earth to do.

[Verse 2]

**F** **Gm**  
Dear Believer, I ve no cause to go on  
**Gm** **C** **F**  
Save for if you take my case  
**F** **Gm**  
See the world was good and heavy on my shoulders as a child  
**Gm** **C** **F**  
But I let it all go to my waist  
**F** **Gm**  
Now comfort s rooting pigs for my blood  
**Gm** **C** **F**

To stick in my mud, a flag of white

**F** **Gm**

Dear Believer, of fire and rebirth

**Gm** **C** **C**

May we shine the Earth, Heaven s light

[Chorus]

**Bb** **F**

Paradise, has its hunter

**C** **C**

Call me blind, call me fool

**Bb** **F**

I don t mind chasing thunder

**Gm** **C** **F**

Like we sang upon, younger days

**F** **Gm**

When the world was good and heavy on our shoulders as a child

**Gm** **C** **C**

For we let it all go to waste.

[Chorus]

**Bb** **F**

Paradise, has its hunter

**C** **C**

**Bb** **F**

I don t mind chasing thunder
