I m A hack driver in New York City
F F7 Bb F F7 F
I ve got seven kids on the lower east side
I m not a strong man, I m not very pretty
But in rush hour hell you should see me drive
I m a dressmaker in Louisiana
Stick my finger ain t that a shame
People come to haggle and paw on my artwork
But no two of my dresses are ever the same

How strange it seems to be me if tomorrow I opened my eyes
Gm7 Am7 Bbm7 Cm7
And found myself somewhere else I wonder who I d be

I m the house man at a place called the exit
The last band I heard bored me to tears
But every so often I hear one that moves me
And love for the music is what keeps me here

How strange it seems to be me if tomorrow I opened my eyes
And found myself somewhere else I wonder who I d be

I m a rich man I ain t talking bout money
I m blues singer at the eight by ten
You go out searching for some grand tomorrow
Don t worry bout me just drop by now and then

How strange it seems to be me if tomorrow I opened my eyes
And found myself somewhere else I wonder who I d be
