Asus2 **Esus** **E11** **Dsus2**

She s got an inner child

Asus2 **Esus** **E11** **Dsus2**

A little tame and a whole lot of wild.

But as crazy as it is, it is who she is.

And she smiles and she frowns.

Asus2 **Esus** **E11** **Dsus2**

She s sunshine and she s clouds.

Emotional to say the least, but that s ok with me.

CHORUS:

Asus2 **Esus** **E11** **Dsus2**

Cuz when I fell, I fell hard for every part.

Asus2 **Esus** **E11** **Dsus2**

From the beauty in her eyes to the love that s in her heart.

Asus2 **Esus** **E11** **Dsus2**

The good, the bad, the happy and the sad.

Bsus **Esus**

Her perfections, her every little flaw. I want it all.

Asus2 - **Esus** - **E11** - **Dsus2** **Asus2** - **Esus** - **E11** - **Dsus2**

I want it all.

Asus2 **Esus** **E11** **Dsus2**

And sometimes the lighting lies

Asus2 Esus E11 Dsus2

And she found some new laugh lines.

Esus Esus

But whenever she asks me, it s only beauty that I see.

Her perfections, her every little flaw. I want it all.
