

No Choice

Edwin McCain

Easy song. Great melody. -Ben

Verse:

D **A** **D**
It was a love so big that it filled his heart
 G **D**
Til it swelled and finally burst apart
 Bm **G**
And where the love spilled out they called it art
 D **A** **D**
But he never really had no choice

Chorus:

Bm **A**
Whoa, he had no choice
G **D**
No, he never had no choice
G **D**
When he gave his river a voice
 D **A** **D**
He never really had no choice.
