Dsus2 **G/B** **C9** **Dsus2** **G/B** **C9**
Skies they used to be so ugly rain that stings my face

Dsus2 **G/B** **C9** **Dsus2** **G/B** **C9**
Opens up their glory just earth and sky and space

G **Asus2** **G** **Asus2**
And your passionate embraces absolve me from my sin

G **Asus2** **G** **Asus2** **Dsus2** **G/B** **C9**
Your life lifts me up so I can see, see the sky again

And I ve lived through all the flash-fires set off like lightening spark
Yes the burn so brightly and oh they burn so hot
And there fantasies of all out love, tearing at the ground
Wrapped up in the vortex of sweat and sex and sound

And your passionate embraces absolve me from my sin
Your life lifts me up so I can see, see the sky again

G **Dsus2** **C9** **Asus2**
Hide me from the love I m too scared to send
G **Dsus2** **C9** **Asus2** **Dsus2** **G/B** **C9**
Hide me til I see the sky again

And your passionate embraces absolve me from my sin
Your life lifts me up so I can see, see the sky again
