Artist: Edwyn Collins
Song: North of Heaven
Album: Gorgeous George

Verse 1:

```
C#                              Fm
Don t pretend that you don t know me
        F#          C#
If you mean to offend me
            G#
Then you re doing pretty well
C#                              Fm
And how convincingly you ve shown me
          F#                    C#
That the love I thought was built to last
    G#              C#
Is now an empty shell
```

Refrain:

```
  F#                      C#
  Things can only get better
  G#
  What s around the corner
          C#
  Who can tell?
      F#                              C#      Bbm
  I ll build a little place just north of heaven
  Ebm                G#              C#
  I m kinda tired of living south of hell
```

Verse 2:

```
C#                      Fm
Don t assume you can ignore me
      F#            C#
You d best bite your lip in case I
```

G#
Make it after all
C#   **Fm**
And how contemptuously you ve shown me
       F#   **C#**
That all my aspirations
          G#   **C#**
Were so paltry and so small

Refrain

Bridge:

F#
Some mother s talking bout Guns n Roses
    C#
As if I give a fuck

At best I think they suck
F#   **C#**
I m too preoccupied with my memories
        G#
Not nonentities

Refrain

    Ebm   **G#**   **C#**   **Fm Bbm**
I m kinda tired of living south of hell
    Ebm   **G#**
I m kinda tired of living... C Em Am G F
