

Ballad Of Bitter Honey
Eef Barzelay

Artist: Eef Barzelay
Album: Bitter Honey
Song: Ballad of Bitter Honey

Tabbed by: Jonas Krainbring

Eef plays the C mostly with a G in the bass so he can play this alternating bass line C-G-C-G.

He does this on most of the other chord, too.

The **Fmaj7** - **Am7/E** - **Dm** is a descending bass line on the D-string.

You ll know if you listen to the song...

C : 332010
Am7/E: 002010
Fmaj7: x33210
C/B : x20010

Capo 2

C **Fmaj7** **G** **C**
That was my ass you saw bouncing next to Ludacris

Fmaj7 **Dm** **G**
It was only on screen for a second, but it s kinda hard to miss

Am **G** **Fmaj7** **Am7/E** **Dm**
And all those other hoochie skanks, they ain t got shit on me

C **C/B** **Am** **G** **C**
And one of Nelly s bodyguards, he totally agrees

C **C/B** **Am** **G** **C**
Yaadabadababam Badababa Bam

C **Fmaj7** **G** **C**
My mother cleaned the homes of wealthy people till the day

Fmaj7 **Dm** **G**
She died and so to California I did make my way

Am **G** **Fmaj7** **Am7/E** **Dm**
I tried to finish nursing school, I really wanted to you see

C **C/B** **Am** **G** **C**
But all those broken bodies well they, they really got to me

C **C/B** **Am** **G** **C**
Yaadabadababam Badababa Bam

C **Fmaj7** **G** **C**
They all think I m stupid, I can see it in their eyes

Fmaj7 **Dm** **G**
But I know what s inside their hearts, I ll penetrate their lies

Am **G** **Fmaj7** **Am7/E** **Dm**
Sometimes it gets me crazy, but I keep my feelings hid
C **C/B** **Am** **G** **C**
Cause I know deep inside they re only frightened little kids
C **C/B** **Am** **G** **C**
Yaadabadababam Badababa Bam

C **Fmaj7** **G** **C**
n If I press my breasts together, and arch my back just so
Fmaj7 **Dm** **G**

I can ask for pretty things and they will not say no

Am **G** **Fmaj7** **Am7/E** **Dm**
No one should have to suffer, no one should go without

C **C/B** **Am** **G** **C**
Don t hate me cause I know just what this world is all about
Don t hate me cause I know just what this world is all about
