The Girls Don t Care - Eef Barzelay

tabbed by: Brett

tuning: standard

This is in E. Live, he sometimes plays this in D. If you re playing along and this sounds awful, drop everything by a full step. If it still sounds bad, I ve probably made a mistake somewhere. This does NOT include the outro, which is a lot of overdubbed guitars that I can t distinguish.

C#m **B**
Don t extend the solo
C#m **B**
Lay the groove too deep
A **Am**
Try not to sing the words
E
As if you re mumbling in your sleep
Don t say that you won t do it
Cause it s been done before
Don t start a revolution
Just because you re feeling bored

E **D#m** **C#m**
The girls don t care
B
That you ache to be free
A **G#m** **F#m**
You see, the girls just want
B **E**
A sweet melody

C#m **B**
Don t quote Five Easy Pieces
C#m **B**
TiVo Cool Hand Luke
A **Am**
Don t talk about how God is dead and
E
love is just a fluke
Don t listen to Frank Zappa
Late Coltrane, Faust or Can
Just take that twisted heart of yours And

lay it in her hand

E D#m C#m
