[Verse]

G **F** **D**
Living lost has been the way, Since the day I came along
G **F** **D**
Drifting through the dead-eyed days, When every turn is wrong
C **F** **C**
And I knew it was the darkest road
F **D**
That I d never know just how
C **F** **C**
To travel on to get somewhere
F **D**
But I thought I d have some answers by now

[Instrumental]

F F G G

F D

[Verse]

G **F** **D**
Meaning to find meaning, In the most meaningless of times
G **F** **D**
Believing I believed in something, Beyond equals in time
C **F** **C**
And I opened up my heart and said
F **D**
This much I ll allow
C **F** **C**
All who enter welcome in
F **D**
And I thought I d have some answers by now

[Instrumental]

G G F D

G G F D

[Verse]

G **F** **D**

Living lost is not the way, To go from here on out
G F D
Attesting in the dead-eye age, Is not all it s about
C F C
And I may not have that far to go
F D
I might make it somehow
C F C
The brightest light may shine ahead
F D
But I thought I d have some answers by now
