

**Ant Farm**

**Eels**

**C**                    **G**  
Hate a lot of things  
**A#**                    **F**  
But I love a few things  
**A**                    **F#**                **G**  
And you are one of them

**C**                    **G**  
Hard to believe  
**A#**                    **F**  
After all of these years  
**A**                    **F#**                **G**  
But you are one of them

**F**  
Walk down the street  
                          **C**  
I m thinking  
**G**  
Everybody move along  
Riff                    **F**                    **C**  
I ve got a sad-hearted needing  
                          **D**  
to belong

**C**                    **G**  
Nevertheless  
**A#**                    **F**  
It s all the mess you made  
**A**                    **F#**                **G**  
But I can t let it go

**C G A# F A F# G**

**F**  
Walk down the street  
                          **C**  
I m thinking  
**G**  
Look at all the ants in the farm  
                          **F**                    **C**  
I ve got a sad-hearted feeling  
                          **D**  
to harm

**C**                    **G**  
Hate a lot of things
