Play the A with a Asus2 (x02200)
[Intro]
Dm A C G
Dm A C G
Dm A Asus2 C G
[Verse]
I don t miss where I came from
  But each night I dream about being back home
Dm
  When I wake up in the morning
С
   I m too tired and tired of being alone
Dm
 So I get up and go downtown
 And pick me out a little piece of ground where I
Dm
  Can proof something to the world
C
I can proof something to the world
[Chorus]
Dm
                                           G
Don t look at me, I m the bus stop boxer
Don t look at me, I m the bus stop boxer
[Instrumental]
```

```
[Verse]
Dm
             Daddy put us in the truck and
            Dropped us off and said good luck then
Dm
               One lucky kid waiting for the bus
           Made a winner out of one of us
 [Chorus]
Dm
                                                                                                                                                                                                                                                                                                                                                              G
Don t look at me, I m the bus stop boxer
                                                                                                                                                                                                                                                                                                                                                               G
Don t look at me, I m the bus stop boxer
 [Instrumental]
Dm A C G
Dm A C G
 [Verse]
Dm
              Going down to the railroad tracks where
                                                                                                                                                                                                    G
               People know that they better not relax
                I m the man baby I am the man \ 
               This is where I can make you understand
 [Chorus]
Dm
                                                                                                                                                                                                                                                                                                                                                              G
Don t look at me, I m the bus stop boxer
                                                                                                                                                                                                                                                                                                                                                              G
                                                                                                                Α
Don t look at me, I m the bus stop boxer % \left( 1\right) =\left( 1\right) \left( 1\right
                                                                                                                                                                                                                                                                                                                                                               G
Don t look at me, I m the bus stop boxer
                                                                                                                                                                                                                                                                                                                                                               G
Don t look at me, I m the bus stop boxer
 [Outro]
Dm A C G
