

Dirty Girl

Eels

C **G** **F**
I like a girl with a dirty mouth
C **G**
someone that i can believe
C **G** **F**
we had a window not open too long
C **G** **C**
but that time is good and gone

Em **Am**
and if I ever see her again
Dm **F** **G**
just walking by with some new guy
Em **Am**
I know that we will need to pretend
Dm **F** **G**
and hope our eyes keep telling lies

Sit on the back porch and wonder bout her
What is she doing right now
Making somebody a happier man
Dying her hair back to brown

Once in a while your life gets so good
Worth all the trouble of the past
That was the case but i think i always knew
Good things don t ever last

And if i ever see her again
Just walking by with some new guy
I know that we will need to pretend
And hope our eyes keep telling lies

I like a girl with a dirty mouth
Know that i can trust her
We had our time but it didn t last too long
And that time is good and gone
That time is good and gone
