A broken heart a withered view  
**A6 Am**  
I m looking out to face another day

**E A6**  
The angry mob, the happy mass  
**E**  
This birthday cake may be the last  
**C#m D E-E**  
I m looking out to find another way

**E A C#m**  
Norman Rockwell colours fade  
**F#m C**  
All my favorite things have changed  
**D**  
What the hell,  
**E**  
Hello cruel world

**E A6** (do do do-do do do do-do)  
**E A6**  
I thought I heard an opera star  
**E**  
Who had no home under the stars  
**A6 Am**  
She sang and sang and sang the night away

**E A6**  
And Mother Nature changed her name  
**E**  
She doesn t want to play the game  
**C#m D E-E**  
I don t believe she ll ever be the same

**E A C#m**

So Big Brother never came  
Howdy-Doody gets the blame  
But what the hell  
Hello cruel world

Bad and beautiful and strange  
Monkeys dancing in a cage  
But what the hell  
Hello cruel world

Venus de Milo grew an arm  
And Old MacDonald bought the farm  
Say goodbye  
Hello cruel world

do do do-do do do do do do do do-do do do do do  
do do do-do do do do do do do do-do do do do do  
do do do-do do do do do

Norman Rockwell colours fade  
All my favorite things have changed  
But what the hell, hello cruel world

Bad and beautiful and strange  
Monkeys dancing in a cage  
But what the hell  
Hello cruel world  
(Say goodbye, hello cruel world)

But what the hell
