[Verse]

**F#5**        **A**                **Bm**                **D**  
I Am Building A Shrine

**F#5**                **A**                **Bm**                **D**  
Deep inside my heart

**F#5**                        **A**                        **Bm**                        **D**  
Itâ€™s filled with all the little things

**F#5**                        **A**                        **Bm**                        **D**  
Iâ€™ll take when weâ€™re apart

[Chorus]

**A**                        **E**                        **G**                        **D**  
All the love you bring me, all the tender words you sing me

**F**                        **C**                        **E**  
And all the suns within your smile

**A**                        **E**                        **G**                        **D**  
All the wisdom of your ways, enduring endless days

**F**                        **C**                        **E**  
And all the love that never dies

[Verse]

**F#5**        **A**                **Bm**                **D**  
Deep down in the cold ground

**F#5**                **A**                **Bm**                **D**  
Touch as simply to be

**F#5**                        **A**                        **Bm**                        **D**

But it will be fine, with all them little things

**F#5**                    **A**                    **Bm**                    **D**

That I'm taking with me

[Chorus]

**A**                    **E**                    **G**                    **D**  
All the love you bring me, all the tender words you sing me  
**F**                    **C**                    **E**  
And all the suns within your smile  
**A**                    **E**                    **G**                    **D**  
All the wisdom of your ways, enduring endless days  
**F**                    **C**                    **E**  
And all the love that never dies
