My beloved monster and me
We go everywhere together
Wearing a raincoat that has four sleeves
Gets us through all kinds of weather

A# D#
She will always be the only thing
A# D#
That comes between me and the awful sting
A# D#
That comes from living in a world that s so damn mean

My beloved monster is tough
If she wants she will disrobe you
But if you lay her down for a kiss
Her little heart it could explode

A# D#
She will always be the only thing
A# D#
That comes between me and the awful sting
A# D#
That comes from living in a world that s so damn...
Mean
