

My Timing Is Off
Eels

Capo 3

[Intro] (3x)

C Em Dm Am G

[Verse]

C Em

My timing is off

Dm Am G

She isn't ready for my love

C Em

It's all that I got

Dm Am G

But it's a pretty big thing

F C

That she should recognize;

Am

Em

G

The truth between us cannot hide

[Verse]

She knows that it's real

But the situation doesn't fit

I know what I feel

And I know that this is really

Everything it's all about

And I don't have a single doubt

My timing is off

But sometimes that's how it all works

Believe it or not

We don't have a choice

In matters of the heart;

Just gotta be brave enough

To love and let yourself be loved

My timing is off

And I'm not worried 'bout a thing

She knows that it's real

She couldn't throw it all away

For fear of happiness

This isn't like that other mess
