[Intro]

Am/C A5

[Verse]

Am

You know what? Iâ€™m in a good mood today

Am

Well Iâ€™m so happy itâ€™s not yesterday

Am

Man it was brutal, with planning tissues

E

I guess you could say that I had issues

Am

Well itâ€™s looking good, I dug my way out

E

Iâ€™m changing up what the storyâ€™s about

[Chorus]

Am

When the world stops making sense

Just take in what you can get

Am

When the people on the streets start looking like silhouettes

Am

When the words just sound like noise

I need a new alphabet

E

When the world stops making sense, I make a new alphabet

[Verse]

Am

Small thinking people with their small thinking ways

Am

I donâ€™t have time to hear what they say

Am

This is my world, Iâ€™m seeking my claim

E

Thanks for the invite, no thanks just the same

Am

Itâ€™s looking good now, full speed ahead

E

Iâ€™ll live the day, by tomorrow Iâ€™m dead

[Chorus]

Am

When the world stops making sense

Just take in what you can get

Am

When the people on the streets start looking like silhouettes

Am

When the words just sound like noise

I need a new alphabet

E

When the world stops making sense, I make a new alphabet

[Bridge]

I see everything, itâ€™s crystal clear

Itâ€™s here!

[Verse]

Am

You know what? Iâ€™m in a good mood today

Am

Well Iâ€™m so happy itâ€™s not yesterday

Am

Man it was brutal, but itâ€™s all in the past

E

Itâ€™s good to know that it donâ€™t have to last

[Chorus]

Am

When the world stops making sense

Just take in what you can get

Am

When the people on the streets start looking like silhouettes

Am

When the words just sound like noise

I need a new alphabet

E

When the world stops making sense, I make a new alphabet
