**G**: 320033

Verse 1:

**C**                    **F**    **Bb**                    **G**  
My friend was lyin ,    the grass was dyin  
**C**                    **Am**                    **F**                    **G**  
It felt like a story you don t care where it leads  
**C**                    **F**    **Bb**                    **G**  
A change of venue,    will it mend you?  
**C**                    **Am**                    **F**                    **G**  
If the grass is not greener, you know what it needs  
**C**                    **Am**    **F**                    **G**  
I knew that I had to throw down some seeds

Chorus:

**C**    **F**            **Bb**    **G**  
Oh-so-lovely, Lord above me  
**C**                    **Am**                    **F**                    **G**  
I feel my heart changin in mysterious new ways  
**C**    **F**                    **Bb**            **G**  
Everybody(Yeah!) Oh-so-lovely  
**C**                    **Am**                    **F**                    **G**  
Now how can I tell you how grateful I am?

Verse 2: [use verse 1 chords]

Fair-weather friends they make amends  
But you look in their eyes and you know it s not real  
A little carin a soul-barin

The actor s contract pays him how to feel  
I knew it was time to make a new deal

Chorus 2: [use chorus 1 chords]

Oh-so-lovely, Lord above me  
I feel my heart changin in mysterious new ways  
Everybody(Yeah!) Oh-so-lovely  
Now how can I tell you how grateful I am?

Bridge:

**Eb\***            **F**            **Eb\***            **F**  
Jacaranda bloomin , no clouds are loomin  
**Am**                    **Bb**                    **C**  
The trees are swayin in the wind

Interlude: [**C - F - Bb - G / C - Am - F - G**] x2

Verse 3: [use verse 1 chords]

Up in the mornin , without a warnin  
The sun is a-shinin like a newborn s smile  
It s time I faced it, don t wanna waste it  
I could run away, but that s just not my style  
And I think that I just might stay here a while

Chorus 3: [use chorus 1 chords]

Oh-so-lovely, Lord above me  
I feel my heart changin in mysterious new ways  
Everybody(Yeah!)Oh-so-lovely  
Now how can I tell you how grateful I am?  
Now how can I tell you how grateful I am?

[repeat chorus and end]
