spunky don t like her uniform
it never fit so good
going back to the orphanage
and the place where her garage once stood

well it s a free-for-all
free-for-all, free-for-all
it s a free-for-all you and me
and if you don t like what they are telling you
you can t teach a blind man to see
well i can see

spunky looks good in her bright red wig
eating chocolate chip mint ice cream
a cat named lola with a violent past
is balled-up asleep cross her knees

and it s a free-for-all
free-for-all, free-for-all
it s a free-for-all you and me
one day the world will be ready for you
and wonder how they didn t see

spunky knows she can save the world
in her own little way
turning in her old uniform
cause you know it really didn t pay

cause it s a free-for-all
free-for-all, free-for-all
it s a free-for-all you and me
i ll walk through the world with your name on my tongue
and your picture etched on my screen
