To try not to think about her  
Dm C#m C Bm  
And all that she brings  
Dm C#m F Em  
Forget about her magic  
Dm C#m C Bm  
All the beautiful things

[Chorus]

A# C Am Dm  
Surely there are other things to life  
A# C Am Dm  
But I can't think of one single thing  
G# A#  
That matters more

[Verse]

Dm C#m F Em  
Than just to see her  
Dm C#m C Bm  
just to see her  
Dm C#m F Em  
Her smile, Her touch  
Dm C#m C Bm  
Her smell  
Dm C#m F Em  
Her laugh  
Dm C#m C Bm

[Verse]

Dm C#m F Em  
The longing is a friend  
Dm C#m C Bm  
A way to stay close  
Dm C#m F Em  
And feel like she's here  
Dm C#m C Bm  
And feel like she knows  
Dm C#m F Em  
That when I say I would die for her  
Dm C#m C Bm  
It's not just words I really would  
Dm C#m F Em  
And to make the world a safer place for her  
Dm C#m C Bm  
Well, I believe I really could

[Chorus]

Surely there are other things to life  
A# C Am Dm
