Standard Tuning

Play with distortion/overdrive, a simple tune most easily played with the A-shape barre chord (as below).

D E G
5 7 10
7 9 12
7 9 12
7 9 12
5 7 10
x x x

Intro :
D E D E E E E D E
etc

Chorus/Verse :
D E E E E D E E E E D E E E D E G G G

- thatâ€™s it as far as I can tell, the forth E slides quickly up to D and back again, if you listen to the cd youâ€™ll pick it up quickly

Lyrics:

I am el hombre lobo
On the prowl for a restless night
I got her right here in my sights
Got a fuse that I can light
She s tremendous
She s dynamite

She is a formidable opponent
She could put up a hard won fight
Got her head screwed on real tight
Being the bomb is her birthright
She s tremendous
She s dynamite

She s tremendous dynamite

I am el hombre lobo
On the prowl just past midnight
Darting under the town searchlights
It s all worth it to take a bite
She s tremendous
She s dynamite
