

Walking Cloud Eels

Eels, Walking Cloud

[A]Well I just heard it the other day
My little lady got things she don t say
In [D]front of me and I m not too [A]proud
She [G]tells her friends my [D]name is walking [A]cloud

[A]Well it sounds to me like an indian name
And I m not so sure that I want my fame
To [D]hinge on the fact that I m a bad [A]egg
She [G]says I m like a [D]big black cloud on [A]legs

Well I m [G]not so bad I [D]must defend my[A]self
I like [G]dogs and birds and [D]records on the [A]shelf
Well it s a [Em]crazy mixed up [D]life
When it s [A]hard for man and [D]wife
To get a[C]long in a [D]crowd (stop)
When you re walking [A]cloud

[A]Well I guess I can be such a bitter old fuck
And it s true that I ve fallen on some pretty hard luck
But I [D]think she s forgetting all the things we [A]vowed
Ain t it [G]wrong to call your [D]man a walking [A]cloud?

cause I m [G]not so bad I [D]must defend my[A]self
I like [G]dogs and birds and [D]records on the [A]shelf
Well it s a [Em]crazy mixed up [D]life
When it s [A]hard for man and [D]wife
To get a[C]long in a [D]crowd (stop)
When you re walking [A]cloud

[A]Well I just heard it the other day
My little lady got things she don t say
In [D]front of me and I m not too [A]proud
She [G]tells her friends my [D]name is walking [A]cloud

outro is just A and D
