words are passing straight through my brain

they turn around, around and i

i see pictures floating around

until they crash or fade away

hear the doorbell ringing

but i can see no way to make it stop

**G#m**

and the bacon s burning it smells like diesel smoke

**C#**

smells like diesel smoke

**F# - B - F# ...**

is it true, walking to my room now

**G#m F# - B- F#....**

is it true, is it you

is it true, i hold you in my arms now

**G#m F# - G**

is it true, is it you

**G#m G#m/G# G#m/G G#m/F# F#-B-F#-B**

i only wanna be your superbullet number one

**G#m G#m/G#**

**Bbm-B** [then play notes **G#-Bb-B-B-Bb-G#-G#-Bb-B-C#-Eb-F**] **F#-B-F#-B**

[Repeat chords second time through]

i got on my bike and drove for hours straight off to the sea

there i stopped and took a walk collecting seashells on the beach

had to rest a while and laid back into the sand

then a truck passed by and it smelled like diesel smoke

smelled like diesel smoke

is it true, walking on the shore now

is it true is it you

is it true, hold you in my arms now

is it true is it you
