i want to stay she wants to go
and when i wake my head explodes
i take control i leave the room
take care of all before too soon
what isn t fun should not be done

and when i sit i need to move
i m feeling hot i guess i m pretty cool
and when i win i m feeling lost
i want it cheap don t care about the cost
so i wish... i hope... i care...
i can t stand... oh i need to... please!
i don t have time... oh yes! i will...
