

I Should Tell You
Eighteen Visions

C **Am** **Em**
I watched the falling rain splash upon your face
G
I know those aren't your tears

[Chorus]

C **Em** **A#**
You know it's me and where I've been

It's just the circumstances

C **Em** **A#**
Don't let her down

[Verse 2]

C **Am**
So I should tell you why it's so hard to tell you
Em **G**
You know it's me and where I've been

And the million words I'm thinking

C **Am** **Em**
I burned my time today as I start to waste
G
You were my one and only and now I don't know why

[Chorus]

C **Em** **A#**
You know it's me and where I've been

It's just the circumstances

C **Em** **A#**
Don't let her down

C# **Em** **A#**
You know it's me and where I've been

It's just the circumstances

C **Em** **A#**
Don't let her down
