

Where They Never Say Your Name  
Eilen Jewell

[Intro]

**E A Am A Am**

[Verse 1]

**Am**

I rode sixteen wheels all the way

Sixteen nights and lonely days

**Dm**

**Am**

I m going back, I wish I never came

**Em**

**Dm**

**Am**

I m going someplace where they never say your name

[Verse 2]

**Am**

You kept me up all night with your coke and gin

Left me next morning and turned me in

**Dm**

**Am**

And that s evil, baby you re no good

**Em**

**Dm**

**Am**

Well I d forget you baby if I could

[Verse 3]

**Am**

Well you show me the well but you don t let me drink

You threw my heart right in just to watch it sink

**Dm**

**Am**

And it went down, it went down, it went all the way down

**Em**

**Dm**

**Am**

And I m going there too, over the edge and drown

[Verse 4]

**Am**

I m gonna lay my head on some railroad line

Last thing I ll hear is that engine cry

**Dm**

**Am**

I m going back, I wish I never came

**Em**

**Dm**

**Am**

I m going someplace where they never say your name

**Em**

**Dm**

**Am**

Yeah, I m going someplace where they never say your name.
