

Valentine Lost  
Eiríkur Hauksson

**Am** **G**  
I'll let the music play while love lies softly bleeding  
**F** **E**  
In heavy hands on shadow lands  
**Am** **G**  
As thunderclouds roll in sunset is receding  
**F** **E**  
No summer wine, no Valentine  
**Am** **Dm**  
A tiger trapped inside a cage  
**G** **E**  
An actor on an empty stage  
**F** **Dm**  
Come see the show  
**F** **E**  
Rock & roll can heal your soul  
**Am**  
When broken hearts lose all control  
**Am** **G**  
Some rivers still run dry and jungles burn to embers  
**F** **E**  
Gold autumn days must fade to grey  
**Am** **G**  
There is a reason why a haunted man remembers  
**F** **E**  
One frozen night, his darkest day

**Am** **Dm**  
A tiger trapped inside a cage  
**G** **E**  
An actor on an empty stage  
**F** **Dm**  
Come see the show  
**F** **E**  
Rock & roll can heal your soul  
**Am**  
When broken hearts lose all control  
**Am** **Dm**  
A passion killed by acid rain  
**G** **E**  
A roller coaster in my brain  
**F** **Dm**  
But how would you know?  
**F** **E**  
In your satin, silk and lace  
**Am**  
Another time, another place

Am Dm  
A tiger trapped inside a cage  
G E  
An actor on an empty stage  
F Dm  
Come see the show  
F E  
Rock & roll can heal your soul  
Am  
When broken hearts lose all control
