Track: I Wasn t Prepared

Album: Room Noises

G **D**
Oh, when the day is blue
F **C**
I ll sit here wondering about you
G **D**
And how the pollen fell
F **C**
All around your face in strange yellow patterns

C **Em**
But, i wasn t prepared for this
C **Em**
Oh, i wasn t prepared for this

G **D**
When the morning came
F
The bees flew down and
C
Wrapped themselves around me
G **D**
And that s when i spoke the word
F **C**
To have them trace your face for me in pollen

C **Em**
But, i wasn t prepared for this
C **Em**
Oh, i wasn t prepared for this

Dm **F** **C**
Come, come back to me, my, my darling
Dm **F** **C**
