Verse

```

      Dm              Dm
The colorless words are burning our heels
      F              C
As the bright lights of the city fade
Dm              Dm
Taking the chase to curb our fear
      F              C              Dm              Dm
As the bloodless moon casts its face

```

```

Am      C              Am
Oooooh, something s not right
C              Am
I can feel it inside
C              Am      C
Something s not right

```

Chorus

```

Dm      F              C              G
Yoou-you-you, you would take the breath from my throat
      Dm      F              C              G
And yoou-you-you, you would take the cherished people that I hold

```
